About Janelle

Janelle Robinson is a wife living in Chicago and mother of a teen girl and toddler boy. The age gap between the two is eleven years, therefore I am always shopping different ends of the stores. I am constantly finding new products and events for my daughter's many activities and my baby boy's developing brain. I love cooking for my family and sharing my recipes and DIY projects on Instagram and Twitter.

About A Break 4 Mommy

A working busy mom that is always on the go, **A Break 4 Mommy** was formed in 2015 to give moms a place to "break" from their busy lives. This website is a resource for moms to find what's happening in Chicago, learn how to earn money from home, get tips for 'self-mommy care" get recipes for healthy eating, learn time saving advice, and more!
